## **Dreamy Gal (Ire)**

2014 bf Dream Ahead - Sassy Gal (Kings Best)

Owner: Michael O'Callaghan. Jockey: Shane Kelly

Fri. 9th Dec. 2016, Dundalk,

Irish Stallion Farms European Breeders Fund Maiden (plus 10), 1m

I had been telling Qatar Racing that I thought Dreamy Gal would potentially make a nice three-year-old and that a mile would be her minimum trip. She had run well over seven furlongs last time out, and tonight's race was the first opportunity I found for her to go that extra furlong.

It is Qatar's modus operandi to cull horses that don't reach the level they require, and when they decided to send her to sales they kindly suggested that I buy her myself, if I liked her enough.

I bought her for twenty grand just eight days ago. She came home from the sales fresh and well and after she worked nicely on Tuesday I decided to let her take her chance tonight.

I've always thought a bit of her, and it was nice to see her get her head in front in a maiden. We'll put her away now and she'll be a nice filly for next year

*"The race worked out exactly as planned. I was drawn one, so we were able to get out quick and dictate. Between the four and the three I let her slide in my hands, and turning in she quickly asserted and drew clear. She was a getting a bit lonely at the finish, but she did it well."*
