I Am Power (Ire)

Michael O'Callaghan

B c 2014 Power – Bridge Note (Stravinsky)
July 14, Navan, Foran Equine Irish EBF Maiden 5f

I Am Power was purchased for £40,000 as a yearling from Goffs UK, Doncaster. He is owned in partnership with John Fleming and my father, Michael.

Earlier in the year I thought he was one of my best two-year-olds, possibly my Ascot horse, but he got a little bit sick and had a lot of mucus in his lungs. I gave him six weeks off, and when he came back he was bigger and stronger, so it was a blessing in disguise. He has done just two easy pieces of work since, and was no more than 80% fit going out there today. So, to do what he did against experienced horses was impressive. He'll come on a ton from this and is a very exciting colt.

I Am Power holds entries in both the Futurity and Phoenix Stakes at The Curragh, and the Gimcrack Stakes at York.

Pat Smullen, jockey:

"He's a big powerful colt with a good future. He ran a bit green, but finished off the race very strongly and won convincingly at the line."
