Bay filly by Red Jazz ex Mandeville

This beautiful and powerful-looking filly is by Red Jazz, a first season sire by Johannesburg, who was also the sire of the brilliant Scat Daddy (No Nay Never, Acapulco, Lady Aurelia). Her first dam, Mandeville won as a two-year-old while Mandeville's sire Kodiak is a prolific sire of two-year-olds. A February foal, we expect this precocious-type to race to a high standard as a two-year-old from the early part of the season.

Bay filly by Swiss Spirit ex Starbotton

This big, well-developed, and nicely-muscled filly is from a very nice family. She is by another first-season sire, Swiss Spirit - a son of the outstanding Invincible Spirit. Her dam, Starbotton won twice as a two-year-old and is a daughter of Kyllachy, who, like Invincible Spirit, is known for breeding speed and precocity. We are very much looking forward to training her with an early season campaign in mind.
